50X1-HUM

SECRET

- b. It is meaningless to record the numbers of personnel cars, because it has been found that these numbers are altered with each change of station.
- 9. No troop transfers are to be observed in Dresden at the moment. Only small maneuvers for field training purposes are held on the Dresdener meide. No tanks have been seen recently. The tanks stand in their shelters along Königsbrückerstrasse. This ground is already part of the Dresdener Meide.
